Interested parties may contact Katie Chamberlain (781-221-1156, katie.chamberlain@stantec.com) with questions or requests for clarifications. All requests for additional information must be submitted in writing to Bid Docs Online through the website. Written responses to questions will be forwarded to all registered bidders. Those who do not register for bidding are required to check the website for addenda and RFI responses.

Minimum Wage Rates as determined by the Commissioner of Department of Workforce Development under the provision of the Massachusetts General Laws, Chapter 149, Sections 26 to 27H inclusive, as amended, apply to this project. It is the responsibility of the contractor, before bid opening, to request, if necessary, any additional information on Minimum Wage Rates for those trades people who may be employed for the proposed work under this contract. Minimum wage rates are contained in the Contract Documents.

Bids for this Contract are subject to the provisions of Massachusetts General Laws Chapter 149, Section 44A-44J. Complete instructions for filing bids are included in the Instructions to Bidders.

The successful bidder shall be required to submit documentation that all employees to be employed in the work subject to this bid have successfully completed a course in construction safety and health approved by the United State Occupational Safety and Health Administration that is at least 10 hours in duration. Any employee found on a worksite subject to this section without documentation of successful completion of a course in construction safety and health approved by the United States Occupational Safety and Health Administration that is at least 10 hours in duration shall be subject to immediate removal.

The successful Bidder will be required to furnish a Payment and Performance Bond each in the full amount of the Contract with a surety company approved by the OWNER, licensed to transact business in the Commonwealth of Massachusetts **and listed in the Treasury Department's most recent edition of circular 570, as amended.**

Contract payment will be by the lump sum price and/or unit price method as indicated on the Proposal Form. No Bidder may withdraw the submitted Bid for a period of **sixty (60) days** after the date designated above for the opening.

The Owner reserves the right to waive any informalities in or reject any or all Bids or to accept any Bid deemed by them to be in the best interest of the Town of Maynard, and to limit the extent of the work to keep within the limits of available funds.
