## 2023-2024 Maynard Recycling Information

The Town of Maynard has automated curbside collection of single stream recycling. The entire towns recycling will be picked up every other week. Additional carts may be purchased by calling E.L. Harvey. No separation of material is needed, i.e. glass, paper and plastic. All material must be in the cart to be collected and the cart must be curbside away from trash, mailboxes, etc. Must separate by 3 feet between carts for truck access.

**Regular Trash – Trash is collected every week**  
 Every bag or barrel (up to 32 gallons or 38 lbs.) of trash set out for trash collection must have a sticker tag(s) on the bag or on the top item in the barrel, in order to be collected.

There are 2 choices in sticker tags depending on the volume/weight set out:  
 Bags or barrels up to 15gal./38lbs. require a YELLOW sticker tag - cost of \$2.00  
 Bags or barrels up to 32 gal./38lbs. require a ORANGE sticker tag - cost of \$4.00

### HELPFUL HINTS:

- Use the right sticker tag • buy sticker tags ahead • You'll need them weekly • 2 Yellow = 1 Orange sticker tags can be purchased at:

• **No Bulk Items Pickup at Curbside.**  
 32 gallon barrels of trash, must be filled only to the level where a cover if applied would fit. Over filled barrels will be left at curbside. Put sticker tag on top item in barrel.

• **Do not place sticker tag on barrel.**

• **In cold weather sticker tags don't stick well to cold bags, so, stick the sticker tag to a warm bag, or to itself wrapped around driveway or bag neck.**
