

Select Board Annual Goals
Fiscal Year 2026 (FY26)
July 1, 2025 – June 30, 2026

Goal: Improve public communication and engagement by implementing accessible, inclusive, and user-friendly methods of sharing information and facilitating engagement with residents.

Strategies:

- Utilize a range of communication channels, both existing and to-be explored, including:
 - hosting forums to recognize and communicate directly with appointees and volunteers
 - offerings to private sites such as the “Maynard Voice”
 - capitalizing on the capabilities of the town’s website
 - offering segments to WAVM (Maynard High School’s multimedia program)
-

Goal: Improve budget-planning to address long-term goals.

Strategies:

- Implement a process to identify and prioritize long-term financial goals, highlighting inclusion of the School Department, water and sewer operations.
-

Goal: Strengthen planning for the maintenance and improvement of capital assets.

Strategies:

- Establish an advisory body that integrates capital condition assessments with financial forecasting and resource planning to support informed decision-making.
-

Goal: Ensure that climate change adaptation and mitigation best practices are represented across all town planning.

Strategies:

- Continue progress on improving the adaptivity of operations and sustainable practices, namely focusing on stormwater management, flooding and other natural hazards controls and preparedness, temperate extremes, and regionalization.
-
