- Summer Street
- Nason Street
- Main Street

*Rain location: Town Hall, 195 Main St. **Weather dependent

ABOUT

In May the Town of Maynard, in conjunction with the Metropolitan Area Planning Council (MAPC), engaged the community on ways to make the downtown more walkable and bike-friendly. The conversation yielded a number of short-term and long-term opportunities that can improve safety, provide community amenities and enliven the downtown. Based on community input, the downtown streets of Main Street, Nason Street, and Summer Street will feature temporary traffic configurations that will demonstrate how they could be redesigned to be more welcoming to all users.

Come experience it and let us know what you think!
